- 2.5.1 MEMBERSHIP RENEWAL RESPONSIBILITY:** *IT IS THE SOLE RESPONSIBILITY OF THE INDIVIDUAL TO RENEW THEIR OTHG SOUTH CHAPTER MEMBERSHIP! The OTHG Board members, nor the score keepers, nor individuals signing you up are responsible for your failure to renew your membership. ARTICLE III NUMBERS AND RIDER CLASSIFICATION

OTHG Races shall be held on an average of at least twice a month. All rider birth dates are aligned to January 1st of the calendar year, so a rider is able to race in the next older age group from the beginning of the year that his birthday makes him eligible.

- 3.0 CLASS IDENTIFICATION:** The Club is structured for a twenty-class system. The classes are as follows:

30+/38+/45+/52+/58	Beginner	Green Plates/White Numbers/Letters
30+/38+/45+/52+/58	Novice	Yellow Plates/Black Numbers/Letters
30+/38+/45+/52+/58	Intermediate	Black Plates/White Numbers/Letters
30+/38+/45+/52+/58	Experts	White Plates/Black Numbers/Letters
30+/38+/45+/52+/58	Master	White Plates/Black Numbers/Letters

3.0.1 Beginning in 2016, there will be a 65+ class at all National events. As the class grows division of skill level will occur.

3.0.2 Local chapters may elect to run a 65+ class at local races. As class grows, division of skill level will occur.

3.0.3 65+ class racers will be scored the same as the Novice class

3.1 NOTE: Female club members are provided a 5-year offset for each age division.

3.1.1 Starting in 2016, Women must run Blue backgrounds with white or yellow numbers at all National events. What if they run regular classes and not the women's class?

3.2 NOTE: Optional Backgrounds – With the exception of “red” backgrounds, riders are allowed to run any number/background color combination as long as they have applied the proper colored "G's" that are available at sign-ups. *This exception applies to local races only!*

3.2.1 National events are subject to the full background color rules listed under CLASS IDENTIFICATION.

3.3 NOTE: In addition to the above listed class identification, the number one rider for the chapter, as well as national champions, can elect to run the current SX and MX style “red” background with a white or black number/letter.

3.4 CLASSIFICATION: New members must race two “evaluation” races to determine rider classification. Riders may be reclassified at any time at the discretion of the Race Director or Assistant race Director. If a rider believes he/she has been misclassified, he/she may request that his/her classification be re-evaluated. All decisions by the Race Director in regards to re-classification will be final. If a rider so chooses to go against the race Director or Assistant race Director's ruling, that rider can elect to ride in a slower class, but must do (4) re-evaluation rides worth 25 points each. At the end of this (4) race re-evaluation, the Final decision still lies with the Race Director and/or the Assistant Race Director.

3.4.1 If the Race Director and/or Assistant Race Director move a Rider to a lower classification, that Rider is exempt from being re-evaluated

3.4.2 Any rider racing in the Master's class is exempt from the two-race evaluation process.

3.5 AGE MOVE-UPS: If a Member moves up in age classification but stays in the same skill level and has ridden at least 2 races within the calendar year, the rider is not required to reclassify.

3.6 NATIONAL MOVE-UPS: During OTHG National events, riders advancing to another class due to age or move-up/down will only carry points equivalent to one less than the current leader in that national points standing, and must have ridden two “local” events in that class prior to the nationals.

3.7 UNCLASSIFIED RIDERS: Riders being evaluated are considered unclassified riders and will receive minimum points (25 points) per event for the first 2 evaluation races.

3.7.1 One Day Riders: These are riders that do not have a current year membership, are not classified riders, do not count towards the gate count, nor do they receive points. They can however receive a trophy.

3.8 COMPETITION NUMBERS: Competition numbers will be assigned to all gang members in the order of their membership during the first year. At the end of their first year, numbers shall be assigned to the member of that Club Chapter according to their point standing at the end of the year, provided they are in the top 25 in final points (the Top 25 numbers are reserved and cannot be ran by any member who did not earn that “top 25 number” (NO EXCEPTIONS!!!)). Numbers outside of the top 25 can be requested by any member or person applying for membership with preference given to the rider with that number from the previous year provided the membership is submitted and paid for prior to or during the first race of the season.

3.9 RETIRED NUMBERS:

205 - Jim Henn
412 - Jim Holman
58 - Kevin Bussey

3.10 DISPLAYING NUMBERS: OTHG members must have their assigned numbers appear on three number plates in the required format and style as outlined in the CLASS IDENTIFICATION section, as well as the CHAPTER DESIGNATION section. A 2-inch minimum letter must also appear on three number plates signifying the Club Chapter.

3.11 CHAPTER DESIGNATION: All Members of the South Chapter of the OTHG must have the letter G after their assigned number. Sierra Chapter must exhibit an S, Reno Chapter must exhibit an R, the Bay Chapter must exhibit a B, and the Central Valley must exhibit a V. (Example - 100G, Southern California Rider) Letter must be a minimum of 2 inches in height.

3.12 IMPROPER DESIGNATIONS: If a Club member shows up at a race without his designated number, the member must run temporary OTHG numbers to be scored for that day (with Race Director approval/coordination).

3.13 SUBSTITUTE NUMBER PLATES: Members who are unable to run the proper background colors, numbers or the chapter letter designator must notify the race director prior to practice. Failure to do so will result in a one-lap penalty.

3.14 COMING OFF INJURIES or DROPPING TO A LOWER SKILL LEVEL: Riders who come back from injuries or long layoff will be allowed to participate in a lower class for four (4) re-evaluation races, with the Race Director's approval. The rider must display the OTHG provided red "E" sticker on all three number plates for the four races to let the other riders in the class know the individual is being reevaluated and is not currently in contention for points and will receive 25 points (minimum points). Riders that choose to race a National race during this four race period, may only race the National race in their original class (NOT in the lower class). After the completion of the four races, and if the rider still feels he/she is not ready to return to their original higher classification, the rider must petition the Race Director to remain in the lower class. If at anytime the rider being re-evaluated wins a race (with a full gate count), that rider will return to the higher class and no further evaluation will be necessary.

ARTICLE IV INFRACTIONS

4.0 INFRACTIONS: The OTHG is here to promote safe and fun motocross racing. Any conduct that brings negativity and that is unbecoming a club member will not be tolerated. This includes, but is not limited to the race track, the pits, OTHG ride days/BBQ's, OTHG Banquet, any social media and on web sites/forums. Any violations of the aforementioned rules and proper racing conduct will result in disciplinary action being taken against the offending member. Disciplinary action will be taken in a progressive manner.

- 1st Offense will result in a verbal warning
- 2nd Offense will result in 2 race suspension and a loss of 100 points
- 3rd Offense will result in the offending member being removed from the club. No refunds will be issued to the member being removed from the OTHG South Chapter.

4.1 FIGHTING: Fighting, whether physical or verbal will not be tolerated. Any fighting amongst members at an OTHG event will lead to those members being disciplined by the E Board. Discipline will range from verbal warnings, to race suspensions, to removal from the club. Each incident will be unique and will be dealt with in that manner.

4.2 TRACK ETIQUETTE: This includes your conduct on the track! If you ride in a manner that is deemed overly aggressive by any individual (in your race, spectating your race or current E Board member) and this is verified by multiple individuals, you will:

For the 1st offense:

1. Loss of all points for protested race
2. If moto 1, will not be allowed to race moto 2
3. Face up to a 2 race suspension depending on severity.

For the 2nd offense:

1. A minimum of a 3 race suspension
2. Possible (6) month suspension without refund for current year membership and not allowed to race with OTHG (to include as a support rider or a one day rider) during this (6) month suspension.
3. Permanently barred from the OTHG without refund for current year membership.

4.3 PENALTY FOR UNACCEPTABLE CONDUCT: The E board will have the right to discipline any gang member whose conduct is not compatible with the Club By-Laws, or who is guilty of any infraction of the Rules and regulations of the Club. There will be no refunds to any member who is removed from OTHG membership. Each incident will be reviewed by the Board and a decision made on the discipline that offending member will receive. No one board member can make the decision alone.

4.4 OTHG Board Authority: In the opinion of the Board, any member(s) actions which bring negativity to the OTHG and will reflect poorly on the club may be removed from the club by a majority vote of the E Board.

ARTICLE V PROTESTS

5.0 PROTESTS: Protests must be filed within one hour of the alleged infraction. Protesters must consist of the rider affected by the infraction, IE: Must be in the same class or race of which the infraction occurred. Any member of the OTHG board can also file protests. If an E Board member is making the protest, they will be removed from any decision making process involved with the protest. At the discretion of the E Board, they may select a neutral member (in good standing) to fill in for the vacated E Board member in regards to voting on the specific issue. All decisions will be final.

The exception to this rule is noted in **PARAGRAPH 4.2 TRACK ETIQUETTE:**

ARTICLE VI SCORING PROCEDURES

6.0 SCORING: Each class will be scored separately, with points earned counted towards year-end total points. Total points are used to determine your riding number for the following year. Points are awarded as follows (as voted on Dec. 2006):

PLACE	POINTS AWARDED	
1 st	35	Points
2 nd	34	Points
3 rd	33	Points
4 th	32	Points
5 th	31	Points
6 th	30	Points
7 th	29	Points
8 th	28	Points
9 th	27	Points
10th	26	Points
11th	25	Points

- 6.1** Riders who finish 11th to last place shall receive 25 points. Points are based on your overall finishing position.
- 6.2** Starting in 2017, only the South Chapter National will count towards South Chapter local race points. Dropping the South Chapter National will result in two drops being used. One drop for each day of the National that is missed.
- 6.3** All racers will be required to use “MyLaps” transponders to ensure accurate scoring. This applies for local as well as National events.
- 6.3.1** Any member who rents a transponder and loses or damages it while in his or her possession will be responsible for any cost incurred by the OTHG to repair or replace the lost or damaged transponder.
- 6.3.2** Failure to pay for a lost or damaged transponder will result in the member being suspended from any and all racing activity until payment has been made.
- 6.3.3** Failure to race with a transponder (your own or rented) will automatically result in a last place finish for each moto that a member fails to use a transponder. (Just ask Brock about moto1 at LACR on June 11th)

6.3.4 Manual scoring is only done as a backup incase the scoring loop fails during a moto/race or an individual's transponder stops registering during a moto/race.

6.4 Full points shall be based upon the following class differentiations:

Master	3	riders make a full class
Expert	3	riders make a full class
Intermediate	4	riders make a full class
Novice	4	riders make a full class
Beginner	5	riders make a full class

6.5 DNF's: Any rider who does not complete the entire moto will be scored as a DNF. Finish will be based on his/her number of completed laps, plus one moto point.

6.5.1 To receive a DNF points, a rider must complete 51% of the moto that he/she DNF's. There will be no leaving the gate and parking by finish line waiting for the last rider and then crossing the finish line.

6.5.2 DNS's: If a rider is unable to complete one lap and be scored, they will be scored as a DNS. This rider shall receive last place points, plus two moto points.

6.6 GATE DROPS: A Rider who goes on an early gate drop will automatically be scored in last place in said moto. A Rider who goes on a late drop will receive their finish position in that moto.

6.7 BIKE CHANGES: `Club members are permitted to change bikes after the first race, if they have mechanical problems. If your bike becomes disabled during a moto, you may not get another bike and continue the race.

Example – If in the first moto there are 3 riders, a DNF would finish in 3rd place plus 1 point totaling 4 points. The second race placed 1st, with 1 point, he/she would get a total of 5 points for the day. This would keep him from taking 1st overall away from the rider who got 1st and a 3rd. Overall standings are determined by combining the finishes in moto 1 and 2. In the event of a tie, the second moto finish will be used to determine the tie-breaker.

6.8 POSTING RESULTS: Results of each moto, as well as the overall finish for the days races will be posted near the Clubs sign up area following a reasonable period of time. No Club member is to approach either the scorekeepers or promoters regarding the results. Penalties for the above listed infractions vary from docking the rider a lap to expulsion from the event and/or the OTHG.

6.9 DROPS: Year end points totals are based on finishing positions throughout the year. Riders who were able to race every race throughout the course of the year will have the 2 lowest scores removed from their accumulated point's total. Riders who were unable to make all the races throughout the course of the year will have the number of missed races and the lowest finishes combined until a total of 2 events have been thrown out. If a rider has already missed 2 events throughout the course of the year, he has no worries; no additional races will be thrown out. The club banquet and club picnic are both worth 35 points each and are considered droppable events.

6.9.1 (1) drop equals (1) race.

6.10 POINTS SCORING SYSTEM: See attached sheet.

6.11 RACE CANCELLATIONS: Races will only be cancelled for inclement weather if the track owner/operator decides to close the track. If a race is cancelled, there will be NO POINTS awarded and NO RESCHEDULED Race. The race date is wiped off the schedule.
